LENTO

Testo di L. NELLI  
Musica di L. NELLI - I. MARCHINI

I can't survive my love,  
without you anymore,  
because you are my life  
and all my world.

'Cause if you leave me now,  
I'm gonna die alone,  
no one can take your place,  
'cause you are so deep inside.

So please don't let me here,  
don't leave me anymore,  
without your love, my love,  
I can't resist.
